

Welcome to Trinity Daycare!

At Trinity Daycare, teaching children about the love of Jesus Christ is our very first priority. We emphasize loving one another the way Jesus loves us and treating one another with respect. This philosophy is woven throughout our curriculum and is demonstrated in our lesson plans, in our discipline, and in our relationships.

Our Mission

The mission of Trinity Daycare is to educate and develop the whole person for the glory of God through adherence to Biblical principles that will produce spiritually maturing believers. It is our desire to assist families by providing Christian childcare to “train up a child in the way he should go” (Proverbs 22:6). We want to partner with parents in their effort to lay strong spiritual foundations in the lives of their young children.

Our Purpose

Trinity Daycare is one of the ministries of Trinity Free Will Baptist Church and operates in harmony with Trinity Christian School, another ministry of Trinity Free Will Baptist Church. We accept the responsibility of offering quality Christian education, both spiritually and academically. The Daycare is intended to be an extension of a godly, Christian home; therefore, we will work with the parents to meet the Christian goals they have for their children. It is also an arm of the church, leading families into its fellowship throughout our community.

We truly believe that all families, as well as infants, are different and have different needs. We look forward to getting to know your family and meeting the needs that you and your child have. If you have any questions or concerns feel free to address them with us at anytime - we have an open-door policy.
